2022 Sponsorship Packages

FOOTBALL VICTORIA

HISTORY

Altona East Phoenix Soccer Club was founded in 1979 by the local Greek community under the name East Altona PAOK Soccer Club. Taking their nickname and black and white stripes from the famous Greek club PAOK FC.

The PAOK name was then changed in the late1990s in accordance with Federation Football Australia to Altona East Phoenix Soccer Club.

VISION

Our club is currently in state league 2, our vision is enter the NPL and develop a strong men's, women's and junior foundation. With the passion to promote overall health, building self-esteem and working as a team to progress our players skills in the sport.

Our objective as a club is create an environment that's fun and to establish a strong player development program.

Community

Our club thrives from the support of our community, with the drive to establish a vision to nurture and develop our youth.

Your sponsorship will assist our club to provide a valuable contribution to our soccer community. By bringing the clubs vision to fruition, in return your sponsorship will provide a supportive and well respected entity within our community. Our sponsors have opportunities for advertising and exposure on our social media platforms including connections to a wide audience.

Our club and Hobson Bay City Council have developed a strong partnership. Our club has upgraded facilities to support a female friendly soccer environment. This promotes diversity, women and families to be involvement in our sport.
